Gerald Lins : Regulation of Investment Advisers, 2013 ed. (Securities Law Handbook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Regulation of Investment Advisers, 2013 ed. (Securities Law Handbook Series):

Providing accurate guidance, Regulation of Investment Advisers, enables you to stay up-to-date on the registration, regulation, and compliance requirements imposed on advisers by the Investment Advisers Act of 1940. Written by practitioners for practitioners, you will find clear, concise treatment of the most frequently encountered problems. This handbook addresses pertinent issues, including: Performance advertising; Trade allocations; Mergers and acquisitions of investment advisers ; Extensive recent changes and Dodd-Frank amendments to the Investment Advisers Act

;Conflicts of interest ; SEC inspections and enforcement; Form ADV and its requirements.
