**David Levine, David Jung, David Schoenbrod, Angus Macbeth : Remedies: Public And Private 4th Edition (American Casebook Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Remedies: Public And Private 4th Edition (American Casebook Series):

The authors have added problems to many sections of the text, for use as written assignments or as the basis for oral discussion. The private law subjects, including restitution, are reorganized and expanded. The authors also improved

the usefulness of the teacher's manual by adding coverage, including briefs for every principal case. Includes introduction to the law of remedies; nature, availability, and scope of injunctions; procedures for formulating, administering, and enforcing the injunctio, declaratory judgment, criminal and civil sanctions, damages; restitution and restitutionary remedies, collection of monetary judgments; conduct of the plaintiff; and bars to obtaining relief.
