**Henry Murdoch : Remembering Killaloe: A Memoir** before purchasing it in order to gage whether or not it would be worth my time, and all praised Remembering Killaloe: A Memoir:

A personal, entertaining, and informative account of living in twin Irish heritage towns, Killaloe and Ballina, over 50 years ago as child, teenager, and young adult. The book has detailed descriptions of the towns in present day, and their

positive influence on the author's later life. Lavishly illustrated, *Remembering Killaloe* is above all a light-hearted and nostalgic look back to a wonderful childhood growing up in a magical place.

About the Author Henry Murdoch is the author of *Murdoch's Dictionary of Irish Law*, first published in 1988 and now in its fifth edition. Originally a chartered engineer, Murdoch was called to the Irish bar in 1966. He has had a 50 year career in the private and public sectors, ranging from engineering, waste management, training, health services, banking, to vocational and medical rehabilitation. He is currently Chairman of the National Rehabilitation Hospital, Dun Laoghaire, and a member of Tenancy Tribunals. He is a member of the governing council in London of City Guilds Institute. He lives in Glenageary, County Dublin.
