Hussein Elasrag : Revolution and The Economic Human Rights in Egypt before purchasing it in order to gage whether or not it would be worth my time, and all praised Revolution and The Economic Human Rights in Egypt:

The purpose of this book is to review and analysis The Economic Human Rights and The Right to Development in Egypt. The book addresses the following topics: 1. The Human Rights situation in Egypt. 2. The most important

indicators of economic performance and living standards in Egypt. 3. The main elements through which it can enhance a respect for Human Rights in Egypt as defined by the January 25th Revolution and in light of Egypts National and International commitments in the field of Human Rights.
