Arthur Kinoy : Rights on Trial: The Odyssey of a People's Lawyer before purchasing it in order to gage whether or not it would be worth my time, and all praised Rights on Trial: The Odyssey of a People's Lawyer:

0 of 0 people found the following review helpful. Iconic civil rights lawyer and teacherBy mark daniel friedlandI, Mark Daniel Friedland, was a student of Arthur Kinoy in the mid sixties. Not only was he a great academician he was a constant litigator for civil rights. He was constantly arguing cases in the U.S.Supreme Court. This classic book chronicles his greatest cases and is written beautifully. I remember being in Israel in 1968. when he was ejected from the House of UnAmerican Activities Committee by the scruff of his neck by some red-necked bailiff. That picture in effect ended HUAC and the McCarthy witch hunt.The last chapter on Domestic Surveillance was a grim predictor of subsequent governmental intrusions on our rights2 of 3 people found the following review helpful. A Great Book on Civil Liberties and the LawBy K. FrenchKinoy is an unsung American hero. Always willing to defend the underdog, he has sometimes overcome tremendous legal obstacles and emerged on top. This book chronicles his more well-known cases: the Rosenbergs, the Chicago Seven, Martin Luther King and the Montgomery Bus Boycott, Adam Clayton Powell, and many more. Why Kinoy isn't more well-known is a mystery.3 of 4 people found the following review helpful. Critical HistoryBy Gregory G LukeProfessor Kinoy's persoanl account of legal struggles against reactionary forces in this country for over six decades is a chilling and inspiring antidote to forgetfulness. This book should be required reading in american history courses, especially now when opportunistic politicians and businesses once again exploit paranoia to keep civil rights and constitutional order under siege. Though Mr. Kinoy's style may sometimes seem repetitive, his book is an honest search for the answer to a question all too rarely asked: what can a

citizen do, in the darkest of times, to help this country live up to its ideals?

Discusses issues surrounding such cases as Watergate, the Rosenbergs, the Civil Rights Movement, the Taft-Hartley Act, and the McCarthy Committee.
