Stephen Bolt, Steve Bolt : Rough Deal: A Plain English Guide to Drug Laws in New South Wales, 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Rough Deal: A Plain English Guide to Drug Laws in New South Wales, 2nd Edition:

This edition brings readers concise information on the drug laws introduced in NSW. It shows how the laws operate and how they affect drug users.

"As a member of the NSW Parliament I am well aware that comprehensive drug law reform is still a way off. In the meantime, therefore, the best hope is that people understand the law, and you could not find a guide that is clearer or easier to read and understand than *Rough Deal*." - Lee Rhiannon, MLC

About the Author Steve Bolt is a practising lawyer based in Lismore, northern NSW. Prior to establishing his own practice, Steve was the Principal Solicitor at Northern Rivers Community Legal Centre for eight years, and worked on a major drug law reform project at Redfern Legal Centre from 1993 to 1996. He is a passionate advocate for community legal education, civil rights and drug law reform and has been involved in many of the leading campaigns promoting these causes in NSW.
