Nathan L. Essex : School Law and the Public Schools: A Practical Guide for Educational Leaders (6th Edition) (The Pearson Educational Leadership Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised School Law and the Public Schools: A Practical Guide for Educational Leaders (6th Edition) (The Pearson Educational Leadership Series):

3 of 3 people found the following review helpful. Importance of Understanding the LawBy Gayle HendricksI use this book as the main text for my school law class. I have found it to be easy to read and understand. As the main text, my students get the overall picture of issues facing school administrators and teachers. This gives them a better

understanding of the pit falls and how important it is to know and understand the law.0 of 0 people found the following review helpful. This book is serving its purpose. Thankful that the ...By angelaThis book is serving its purpose. Thankful that the professor is actually using the book as part of the class assignments. It is an interesting read if you are in the field of education.0 of 0 people found the following review helpful. An easy read! I enjoyed reading the bookBy D. ColeAn easy read! I enjoyed reading the book. Prior to the book purchase, i knew little about education law. The book was easy to read and is a great resource to have. The only bad thing is that there is no Kindle version for paperlite. Im able to read it ONLY on my computer through the Kindle app. I couldn;t read it wherever I am with my Kindle.

An essential, practical, hands-on resource for school leaders, policymakers, and other educational personnel, this practical, clear, and easy-to-understand guide looks at both the historical background and the contemporary legal issues that affect virtually every aspect of schools today. The new Sixth Edition of *School Law and the Public Schools* by Nathan Essex brings readers the latest information on todays most critical issues, among them: recent rulings on religion in public schools, social media, Facebook and Twitter challenges, virtual charter schools, administrators authority at bus stops, legal aspects of teachers and administrators evaluation, teacher performance and misconduct, 504 Rehabilitation plans, the McKinney-Vento Homeless Act, violence and tragedy in U.S. schools, procedures for evaluating and responding to threats, natural disasters and school safety, proposed changes to No Child Left Behind by the White House, and the use of chaperones for field trips. Numerous application exercises and case studies give the concepts real-life meaning, and illustrative tables and figures further reinforce and amplify the ideas.

From the Back CoverThe historical and contemporary legal issues affecting the organization and administration of schools in America today are covered in this practical, easy to read guide. Here readers see how to apply concrete, specific legal knowledge to the real issues and challenges they face every day in the classroom and in and around the school. The new Sixth Edition brings readers the latest information on todays most critical issues, among them: Recent rulings on religion in public schools.
