Leo H. Bradley : School Law for Public, Private, and Parochial Educators before purchasing it in order to gage whether or not it would be worth my time, and all praised School Law for Public, Private, and Parochial Educators:

0 of 0 people found the following review helpful. Make this an add on for any School Law textbook!By RichNLifeI would not have been able to make it through my Educational Law class without this book! It was not the textbook or even listed under recommended reading, but recommended it and I ordered it. So glad I did! I didn't have to look anywhere else for cases that my professors were talking about. Great reference!0 of 0 people found the following

review helpful. Law textbookBy Kindle CustomerThis is the right book for my class. I was very happy to be able to purchase the book cheaper than if I went into the bookstore for it.

Here is a book to serve educators from all types of schools in either pre-service or professional development that is designed as a text for master's and licensure (post-master's) level. This book covers all the relevant issues in school law: _

Bradley navigates the reader through the minefield of legal issues that confront administrators regularly religious issues, student rights, teacher contracts, teacher negligence and students with disabilities. (School Administrator)Written for use in master's and licensure courses, this text covers the constitutional, statutory and case law knowledge necessary for effective day-to-day operation of school systems. (Reference and Research Book News)About the AuthorLeo H. Bradley has been a professor of school law for fifteen years. Prior to his professoriate, he held the positions of teacher, principal, curriculum director, assistant superintendent, and superintendent in Ohio public schools.
