**Raymond McMaster, Alan Prior, John Watchman : Scottish Planning Law: Third Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scottish Planning Law: Third Edition:

Scottish Planning Law is a comprehensive and accessible guide to a constantly changing and complex field. This third

edition has been updated throughout to take full account of all significant developments in recent planning law - including the Planning etc. (Scotland) Act 2006 - and a wealth of new case law. It is an ideal reference book for practitioners in the disciplines of planning, surveying, and law.

About the Author Ray McMaster was planning practice at Dundas Wilson, and the City councils of both Edinburgh and Glasgow. He now works at University of West Scotland. Alan Prior is Deputy Head of the School of the Built Environment at Heriot-Watt University in Edinburgh. Previously, he was Head of the School of Planning and Housing at the Edinburgh College of Art. John Watchman is a Solicitor at Watchman Co and is recognised expert in planning law.
