Tom Guthrie, Ian Fletcher, Roy Roxburgh : Scottish Property Law: 2nd Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scottish Property Law: 2nd Edition:

"This book provides an introduction to all aspects of the law of property in Scotland. It takes account of the recent

substantial changes in the law relating to landownership in Scotland and deals with the three main aspects of this: the nature of land ownership; burdens on land; and transfer of ownership in land. The second edition has been expanded to include a concise explanation of the Scots Law on moveable property, including intellectual property."
