**Hillary A. Sale, John C. Coffee, Jr, Joel Seligman : Securities Regulation, 10th ed., 2007 Case Supplement (University Casebooks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Securities Regulation, 10th ed., 2007 Case Supplement (University Casebooks):

This 2007 case supplement to Coffee, Seligman and Sale's Securities Regulation, 10th Edition includes several important new cases, including the Tellabs decision on pleading scienter and other decisions dealing with the 'scheme

to defraud' doctrine, the requirements for class certification in securities class actions, and the SEC's hedge fund registration rule.
