James D. Cox, Professor Robert W. Hillman, Donald C. Langevoort : Securities Regulation: Cases and Materials 6e before purchasing it in order to gauge whether or not it would be worth my time, and all praised Securities Regulation: Cases and Materials 6e:

1 of 2 people found the following review helpful. Neat and helpfulBy Erin WakeThis is probably the best-looking and almost the most helpful law school casebook I've had. The explanations are clear, and the text and paper are easy to read (and highlighters won't bleed through).0 of 1 people found the following review helpful. Four StarsBy Sarah F HinksIn good shape. Thanks!0 of 1 people found the following review helpful. Two StarsBy C PierceBetter than Coffee's.

Intellectually satisfying and very teachable, *Securities Regulation: Cases and Materials, Sixth Edition* uses well-crafted and interesting problem exercises to engage students in the theory and applications of securities regulation. The strengths of this casebook continue to be: a balance of practice and doctrine from leading authorities; a highly flexible organizational structure that adapts to a variety of teaching approaches; a wealth of interesting problems that present opportunities for students to apply legal concepts and reinforce their understanding; smart, straightforward writing style; timely supplementation by the authors own Annual Statutory Supplement and Case Supplement; outstanding coverage of the 1933 and 1934 Acts; Updated throughout, the revised Sixth Edition offers coverage of: recent cases on pleading securities fraud following the Supreme Courts decision in *Tellabs*; the D.C. Circuits rebuffs to the SEC in their regulation of broker-dealers, investment advisers, and mutual funds; electronic voting and new forms of shareholder communication in proxy regulation; full integration of the substantial SEC rule changes that affect resales of securities; significant developments in SEC internal procedures related to enforcement actions; expanding regulation of the municipal securities markets; substantial compliance with Reg. D; unincorporated associations as securities.

Authored by respected leaders who understand the importance of balancing practice and doctrine, this casebooks clear writing and modular chapters that make for an excellent classroom experience. A Teachers Manual may be available for this book. Teachers Manuals are a professional courtesy offered to professors only.
