**Thomas Lee Hazen : Securities Regulation, Selected Statutes, Rules and Forms, 2011 Abridged** before purchasing it in order to gage whether or not it would be worth my time, and all praised Securities Regulation, Selected Statutes, Rules and Forms, 2011 Abridged:

1 of 1 people found the following review helpful. One StarBy K. R. BaconItem was received in very poor condition. Description was false0 of 2 people found the following review helpful. Just okayBy MS1276AProduct description was accurate, except the seller omitted one material fact. When the book arrived, there was a large sticker on the front cover that read: "Professor Review Copy: Not for Resale." Seriously? I'm a law student attending a law school with a strict Honor Code. Don't you think I would like to know this fact BEFORE I decide to purchase the book? Not cool.

Had a heck of a time removing the sticker, which damaged the front cover a bit. 0 of 0 people found the following review helpful. A great read! By scrappy This is not a great read, actually. It is a book full of statutes and is required reading if you take securities law or securities litigation. Securities law is based on statutes, no action letters, and some case law. Your assigned text will cover the no action letters, case law, and discussion. This is the statute book you need without the filler. It's heavy and dull, but it is absolutely required if you take the classes. Enjoy!

This abridged version of the text is ideal for instructors who do not require the comprehensive treatment in the standard edition. The abridged version contains sufficient materials for most introductory securities regulation classes. The standard edition contains the latest Securities and Exchange Commission rulemaking, including its new executive compensation disclosures, which are not available in many statutory supplements. The text is comprehensive and is presented in a readable format, with many user-friendly features, including single- rather than double-column format and an index that makes the material more accessible than in many other statutory supplements.
