Peter C. Blain, Michael D. Jankowski : Security Agreements Line by Line: A Detailed Look at Security Agreements and How to Change Them to Meet Your Needs before purchasing it in order to gage whether or not it would be worth my time, and all praised Security Agreements Line by Line: A Detailed Look at Security Agreements

and How to Change Them to Meet Your Needs:

Written by attorneys with over fifty years of combined experience in commercial law and secured transactions, *Security Agreements Line by Line* provides a detailed examination of the document which serves as the cornerstone of most secured credit relationships. This book explains the purpose behind each provision of a security agreement and highlights the negotiating positions of the secured creditor and the debtor. The authors describe the perfection of security interests under the Uniform Commercial Code and other applicable State and Federal law, the essential step which puts the secured creditor in a position to realize on the collateral pledged to repay a loan. Finally, the book details those circumstances when a creditor with a valid and perfected security interest may nonetheless lose its position in the collateral because of the provisions of the Federal Bankruptcy Code or other applicable law. *Security Agreements Line by Line* is a comprehensive and essential desk reference for attorneys, bankers, and others who deal with commercial transactions. A CD-ROM is included, which provides searchable PDF and Word versions of the book and sample agreements. About the Authors Peter C.
