**Bruce Hoffman, Peter Chalk : Security in National Capital** before purchasing it in order to gage whether or not it would be worth my time, and all praised Security in National Capital:

An assessment of possible ways in which Pennsylvania Avenue could have been reopened without compromising the safety and security of the President prior to September 11. The context and circumstances that influenced the 1995 decision to close the section of Pennsylvania Avenue directly in front of the White House are examined, along with

that decision's continued validity and appropriateness in light of developments, including trends in terrorism, since 1995.

From the Inside Flap Alternatives to closure of Pennsylvania Avenue for protecting the White House.
