Paul Goldstein, Edmund W. Kitch, Harvey S. Perlman : Selected Statutes and International Agreements on Unfair Competition, Trademark, Copyright and Patent: 2001 Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Selected Statutes and International Agreements on Unfair Competition, Trademark, Copyright and Patent: 2001 Edition:

This is a compilation that contains the major statutes affecting unfair competition, trademark, copyright and patent law.
