Peter M. Shane, Harold H. Bruff : Separation of Powers Law: Cases and Materials (Law Casebook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Separation of Powers Law: Cases and Materials (Law Casebook):

Dramatic issues of presidential power and executive-congressional relations have dominated the last decade s headlines. It is impossible to overstate the significance of the inter-branch confrontations that have promised to revolutionize separation of powers understandings since the mid-1990s.This updated edition addresses these and other dramatic issues, such as presidential impeachment and Bush v. Gore. The book retains its clear structure and historical perspective, and the authors have increased their emphasis on the ethical challenges posed for constitutional lawyers in

the executive and legislative branches, who seek to address novel constitutional issues in professionally appropriate ways.

About the Author Peter M. Shane is the Distinguished Service Professor of Law and Public Policy and Director of the Institute for the Study of Information Technology and Society (InSITEs) at the H. J. Heinz III School of Public Policy and Management, Carnegie Mellon University. Harold H. Bruff is the Dean of the University of Colorado School of Law.
