Inc The Securities Institute of America : Series 24 General Securities Principal before purchasing it in order to gauge whether or not it would be worth my time, and all praised Series 24 General Securities Principal:

7 of 8 people found the following review helpful. VagueBy Sebastian504This book has no fluff, however it is more or less bulletpoints of things to memorize. The chapter exams and online questionnaire do not provide much insight as to why the answer is right.

Our world class series 24 textbooks are designed to guide you through the entire studying process. Our textbooks are laid out in a logical step by step format and are packed with focus points and test tips to make sure you know exactly what to expect when you sit for the actual exam.

About the AuthorEach year, The Securities Institute of America, Inc. helps thousands of securities and insurance

professionals build successful careers in the financial services industry. Our many options include classroom training, interactive online programs, state of the art exam preparation software, and printed textbooks. As a result, you can choose from a variety of formats depending on your skill level, learning style, and schedule.
