The Securities Institute of America, Inc : Series 63 Uniform Securities Exam before purchasing it in order to gage whether or not it would be worth my time, and all praised Series 63 Uniform Securities Exam:

0 of 1 people found the following review helpful. WorthlessBy ECI got this material because it was a little cheaper than say Kaplan, but this book is worthless. I am pretty smart guy, but did not pass the exam. Fully half the questions I answered on the actual exam are on laws/regulations not even mentioned in this book, seriously, save yourself some time and get something better and pass the first time.0 of 1 people found the following review helpful. Series 63 Uniform Securities ExamBy M. SmithWhile this book contains an adequate description of the Uniform Securities Act it is lacking any mention of The Statement of Policy and Model Rules adopted by NASAA. The practice questions are overly simplified, and lack detail.

Our world class series 63 textbooks are designed to guide you through the entire studying process. Our textbooks are laid out in a logical step by step format and are packed with focus points and test tips to make sure you know exactly

what to expect when you sit for the actual exam.
