From Routledge : Shame Punishment (Crime and Punishment: Critical Essays in Legal Philosophy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shame Punishment (Crime and Punishment: Critical Essays in Legal Philosophy):

Shame punishment has existed for perhaps as long as people have been punished, and the issue has been revisited in recent years to help improve crime reduction efforts. In this collection, shame punishment is examined from various critical perspectives, including its relation with expressivism, the diversity of shame punishment used today, the link between shame punishment and restorative justice, the relationship between dignity and shame punishment, shame punishment and its use for sex offenders, and critics of shame punishment in its different incarnations. The selected essays are from leading experts and represent the most important contributions to scholarly research in the field.

About the Author Thom Brooks is Reader in Law at University of Durham, UK.
