praised *Skilled And Resolute: A History Of The 12th Evacuation Hospital And The 212th Mash, 1917-2006*:

Tracing the 90-year history of 212th MASH, the US Army's oldest deployable hospital, this book looks at how medicine and the military have changed in these decades. Recognizing the challenges and accomplishments of the men and women of the 12th Evac and 212th MASH, the text pays tribute to each generation of these "skilled and resolute" soldiers as they worked to save the lives of fellow US service members, allies, prisoners, and local civilians, from World War I Europe to recent conflicts in the Near East.
